Good afternoon,

Can you please send me your advertising rates for KLEK? I am working with the group "Citizens for a better Jonesboro" and we are interested in advertising on your station.

Thanks,

Ashley Frans

As this is a political issue and we are noncommercial station we are not allowed to accept underwriting and sponsorship. However someone from your group may come on air for an interview. Someone from J Cure (not sure if it's the same group as you guys) is coming on Wednesday morning at 9.
