Educational Program Sponsorships

Support our educational mission with an Educational Program Sponsorship. For supporting your favorite program you're passionate about, KLEK will show support for your mission and goals. Your support allows us to broadcast programming which illuminates a path to a better life.

"Education must not simply teach work—it must teach life." -W. E. B. DuBois

For helping us with our mission:

- We will give you the option to sponsor either or multiple programs.
- Every time the program is aired, your will we recognized as someone who allowed us to broadcast the program (these programs will air 3 times daily at 19 and 47 min past the hour).
- Also, you will receive our support through our website and social media outlets!
